### SOCIAL AND PERSONAL

Mr. and Mrs. Kyle Long entertained a few friends at their home on Garden street last evening in honor of Mr. and Mrs. Dave Graybeal who will leave Saturday for Idaho to make their home. Five hundred was played and dainty refreshments were served. Those present were Mr. and Mrs. Voyl Enson, Mr. and Mrs. William Mitchell, Mr. and Mrs. Frank Deebach, Mr. and Mrs. Grant Ogden, Mrs. John Welker, Miss Daphna Graybeal and Mr. and Mrs. Dave Graybeal.

The May Day festivities given at the high school last evening under the direction of Miss Ruth Tullington, spoke eloquently for the department of physical education and for the capabilities of Miss Tullington as director.

The girls, dressed in their beautiful and appropriate costumes, were applauded enthusiastically and called back several times for extra dances by the large audience which filled the auditorium.

The beginning of the program was featured by a "March," "Dumb Bell Drill," "Wander" and Indian Claps, all gracefully done.

Following this part, Miss Beulah Smith, as "May Queen," and her twelve maids took their positions on the throne. This was accompanied by the dance "Ace of Diamonds." The queen was then crowned by Miss Thelma Thompson in a very beautiful solo dance.

The remainder of the program included a "Gutch Dance," a dance of the "Poppies," a pretty solo dance by Miss Vera Temple, a laugh-making clown dance and a "Maypole dance" as a finale. Miss Hazel Jenkins acted as accompanist. The following girls were in the various dances:

**Ace of Diamonds**—Marie Blanchette, Irene Specknagle, Gertrude McConnell, Blanche Furnish, Merle King, Velma Smith, Marjorie Ireland, Leona Bowman, Georganna Fletcher, Fernside Perrin, Jessie Forshaw, Leila Porter.

**Dutch Dance**—Gladys Bedwell, Denise Hays, Irene Saunders, Mamie Hartnett, Helen Candlish, Della Ferguson, Helen Melings, Susan Narkanes, Jean Polson, Josephine Saunders.

**Poppies**—Madeline Burgess, Margaret Phelps, Thelma Thompson, Hester Proctor, Jane Murphy, Helen Thompson, Rena Hays.

**Clown Dance**—Veva Cook, Elva Kuper, Alice Pinnell, Helen Nelson.

**May Pole**—Thelma Thompson, Madeline Burgess, Margaret Phelps, Hester Proctor, Jane Murphy, Rena Hales, Helen Thompson, Gwendolyn Rogers, Helen Melings, Susan Narkanes, Helen Candlish, Della Ferguson, Gladys Bedwell, Denise Hays.

Mrs. Frederick E. Judd and Mrs. Neemith Ankeny presided at a charming bridge luncheon given yesterday afternoon at the home of Mrs. Judd on North Main street. May baskets filled with fragrant sweet peas and sweet alyssum and long-stemmed tulips of beautiful colors gave the affair a typical May day effect.

Eight tables played at bridge after the luncheon and honors were won by Mrs. W. L. Thompson. Mrs. Judd and Mrs. Ankeny have invitations out for a card party next Monday afternoon at the home of Mrs. Ankeny.

The Current Literature Club is meeting this afternoon with Mrs. James A. Fee as hostess.

The Women's Missionary Society of the Christian church met yesterday afternoon at the home of Mrs. C. C. Cole, 712 Lillet street. Division No. 3 of that organization had charge of the program which was very much appreciated. Special mention must be given to the two piano solos by little Miss May Fan Yurpillat, great-granddaughter of "Grandma" McKinnon of La Grange who was an honored guest of the society. Mrs. McKinnon is 96 years old and is undoubtedly one of the oldest living members of the church. She had been a member for more than sixty years. After the program ice cream and cake were served.

Don Fruit was up from his home at Stanfield yesterday.

J. L. Miller, traveling passenger agent of the O-W. R. & N., was in the city yesterday.

Dan P. Smythe returned yesterday evening from a visit to his sheep camp at Arlington.

C. P. A. Loneran, superintendent of the Warren Construction Co., left last evening for La Grande.

Dr. E. O. Parker returned last evening from Irrigon where he had been on a professional mission.

**Manufacturers Try Too Much.** WASHINGTON, May 2.—American manufacturers are trying to handle more orders than they are physically equipped to fill. Secretary Redfield told the United Press today. Besides this condition, foreign and domestic commerce is the best in years. Adequate merchant marine is the only remedy necessary to make commerce ascend the dizzy heights. The relative importance of shipments of munitions to Europe has been grossly exaggerated, he declared.

**AVOID SPRING COLDS.** Sudden changes, high winds, shifting seasons cause colds and grippe and these spring colds are annoying and dangerous and are likely to turn into a chronic summer cough. In such cases take a treatment of Dr. King's New Discovery, a pleasant Laxative Tar Syrup. It soothes the cough, checks the cold and helps break up an attack of grippe. It already prepared, no mixing or fussing. Just ask your druggist for a bottle of Dr. King's New Discovery. Tested and tried for over 40 years.—Adv.

### THE "ENDLESS CHAIN" DANGER OF CATARRH

S. S. S. the Proper Safeguard.

Catarrh is a "cold" in its chronic form. The air is filled with bacteria which is taken into the mouth and nose through the process of breathing. When the body is in a healthy condition no harm results. But with our modern methods of indoor living and sedentary occupations, the mucous membranes are usually not able to "throw-off" this harmful bacteria, making catarrh a very common ailment. These germs breed and multiply, causing inflammation, the blood rushes to the membranes to fight off the bacilli. When the blood is in a vigorous condition its "defensive" efforts are successful. Otherwise the cold "hangs on"—turns into catarrh.

Catarrh is a chronic inflammation of the mucous membranes. Mucous membranes are the lining on all the internal cavities of the body. Get that! ALL cavities! There is the "endless chain" element of danger. The only way to treat catarrh is to purify the blood. The surest way to purify the blood is to take S. S. S. Write us for special advice.
